VOLUME 26

Once more the school year began. For some it's their first year of high school, for others their last. For those beginning they have four years of new experiences awaiting them . . . new teachers, new frustrations, new friends . . . to them a complete mix-up. For the Seniors there is a new world awaiting them at the end of the year. They will find the four years have come and gone so quickly, and now they're on their own. Now they have a chance to go out and do their own thing. Whether it's college or a job, they at least have an idea of what they want to do. And in the years ahead we'll look back and remember all the hassels we gave the teachers, the trouble we got into, and just some of the every-day occurrences that will be implanted in our memory forever. We'll look back and say, "Yes, those were days to remember, but now we're 'MOVIN' ON'."

WHAT A SWEDE

"Hi! My name is Camilla Nyman and I'm an exchange student from Sweden. I came here August 4th and I'm staying with Michelle Longstreth.

Coming here was very scary because I didn't know what to expect, but with a lot of help from my friends here, this has been a wonderful year. One of the best parts of my year here must have been the volleyball season. That was where I met alot of new friends and made my first attempts to talk English. Even though I sometimes had problems in both speaking English and playing volleyball everybody was very eager to help me out. Thanks, Mr. Monroe for letting me be on the team. I really enjoyed it. As the time goes by you get used to everything that is different from home. I realize that I am going to miss alot of things when I go home. One thing for sure is that I will miss the cinnamon sugar pop tarts and chocolate chip cookies. One thing that I won't miss is Jello!

It is not going to be easy to leave all of you here in July and go home to my sister, mom and dad in Eskilstuna. I would like to thank all of you for making my year here absolutely unforgetable! I do hope that you will remember me because I will never forget you!"

I will miss you all,
Love Camilla Nyman

The 1984-85 Cheerleaders had a successful season. The Varsity, Reserve, and Freshman squads held their own camps during the summer. They gathered pep assembly ideas and made new cheers. When the Basketball season came the cheerleaders were ready. They started by selling spirit tumblers for their money making project. Many painter style posters were made by the cheerleaders during the year. They gave an added touch to the halls, gym, and to the spirit of the student body. The enthusiasm of the students was high and appreciated by all. Cheerleaders recruited a few rowdies for the spirit-filled Crestview game. As we traveled into the tournament action the cheerleaders and fans were behind the team 100%. The cheerleaders would like to thank the student body, faculty, administration, and fans for all their help and support throughout the season.

The Lady Lancers were definitely on the right track this season by having a perfect record of 16-0 in duel and triangular meets, and placing in several invitationals. The regional qualifiers were as follows: Diana Renner (Discus), Deb Yates (800m. relay), Nancy Nolan (3200m. relay), Brenda Evans (3200m. relay, 1600m. relay, 800m. relay, 400m. dash), Jackie Girod (1600m. relay, 3200m. relay, 800m. relay), Teresa Wilson (1600m. relay, 800m. relay, 3200m. relay), and Jody Prine (3200m. relay, 1600m. relay). The 3200m. relay team of Brenda Evans, Jackie Girod, Teresa Wilson, and Jodi Prine were the state qualifiers and placed fifth. Well, what do you have to say?

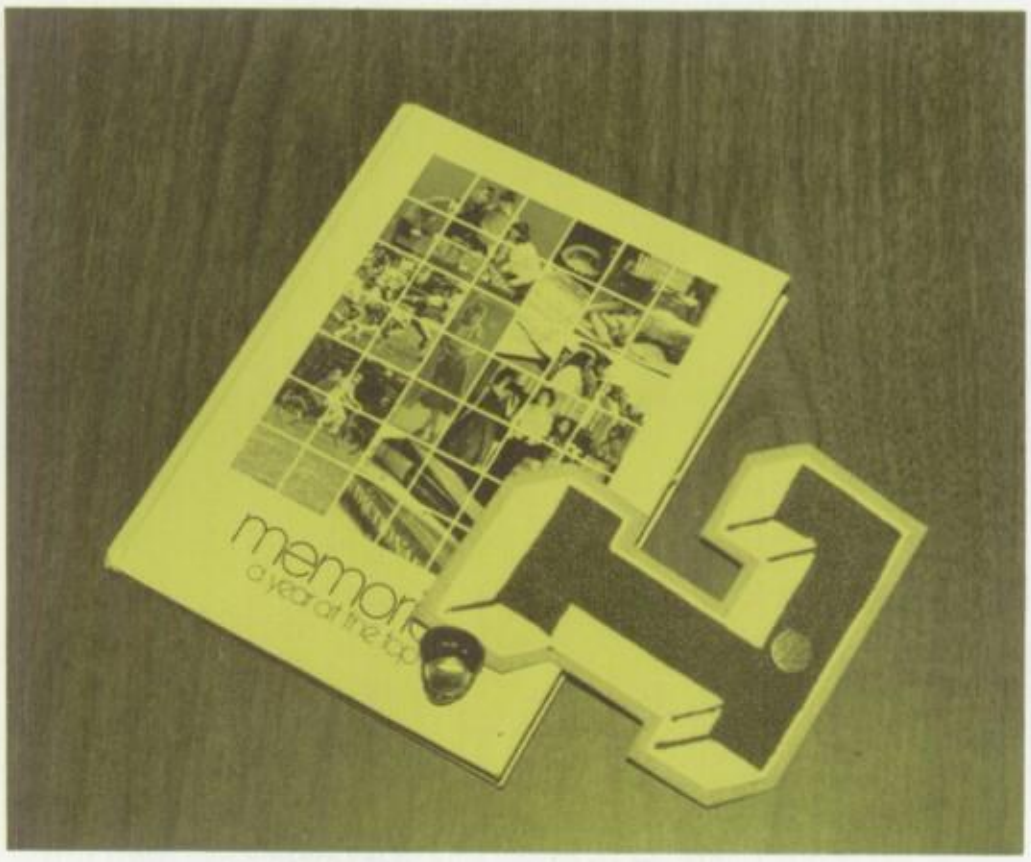
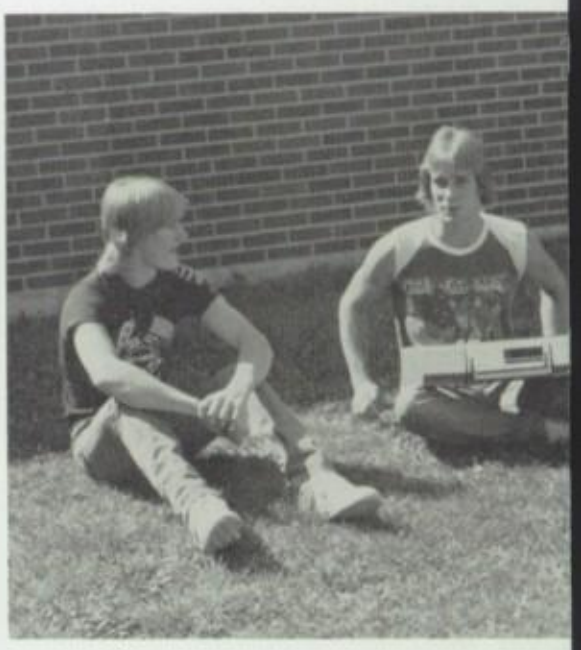
GRADUATION



SPECIAL MOMENTS

SPECIAL MEMORIES



The moments that we spent to gether made the years pass and seem so very special. Whenever we were together there was a certain quiet and serene quality that made for some of the happiest times. Thank you for being there and for caring so much. Now we shall pass on to new lives and new beginnings. May the class of 1985 find all that they are looking for and may they never forget the support and under standing that their friends give so will ingly.

TO A FRIEND

I love you not only for what you are, but for what I am when I am with you.

I love you not only for what you have made of yourself, but what you are making of me.

I love you for the part of me that you bring out.

I love you for putting your hand into my heaped-up heart and passing over all the foolish and frivolous and weak things that you can't help dimly seeing there, and for drawing out into the light all the beautiful radiant belongings that no one else had looked quite far enough to find.

I love you for ignoring the possibilities of the fool and weakling in me, and for laying firm hold on the possibilities of the good in me.

I love you for closing your ears to the discords in me, and for adding to the music in me by worshipful listening.

I love you because you are helping me to make of the timber of my life not a tavern, but a temple, and of the words of my every day not a reproach, but a song.

I love you because you have done more than any creed could have done to make me happy.

You have done it without a touch, without a word, without a sign.

You have done it first by being yourself.

After all, perhaps this is what being a friend really means.

MOVIN' ON

I still remember the first time
I walked into the door,
At five years old this school
looked like the world and so much
more.
And yet my soul longed
to keep movin' on.
As years went by with tests and
grades I somehow always knew,
That with hard work and confidence
I'd somehow make through,
And yet my soul longed
to keep movin' on.

Through many tears and happy times
through boys and proms and friends,
I won't forget these special times
that soon will have an end.
And yet my soul longs
to keep movin' on.

Tomorrow brings me promises of dreams that might
come true,
And so I reach beyond today
but still I think of you.
And yet my soul longs
to keep movin' on.

Yes my soul is movin' on.
